

New 9910 Pre-Apprenticeship Group Begins at WWE

On February 6, 2012 the new 9910 Pre-Apprenticeship group began their training program with Wastewater Enterprise. The 9910 program is designed to provide high school graduates that live in the 94124 zip code with pre-apprenticeship stationary engineer training. Under this two year Public Service Trainee Program, the Wastewater Enterprise will provide training and work experience in the various field of work related to sewage treatment. Please join me in welcoming Samuel Anderson, Lorenzo Bell, Stanley Fung, Yolando Gourdine, Wai Man Hui, Shandon Massey, and Kiana Moore.
